Furthering the gospel is my primary mission in life and I believe the best way to do that is by speaking truth while developing meaningful relationships. From a young age it has been my calling to work with students in an athletic setting. My love for people and my love for sports makes athletics a perfect fit for my skill set. ## **REASON FOR APPLICATION**

I played my High School ball in TAPPS and have been working at TAPPS schools since 2010. I firmly believe in this organization and the principles that it is built on. I have been honored to serve on the AEC this year and it has been a blessing to see how the board works together, with the AEC, and with the fulltime employees. If it is in the best interest of the organization, I would love to have the opportunity to serve alongside the current members of the board.
