Information or resume for review by membership.	<p>I am beginning my 5th year at Coram Deo Academy's Plano Campus as the Athletic Director and have enjoyed being involved in TAPPS athletics at two other TAPPS schools in the past. I also spent two years in Georgia teaching, coaching and working as an athletics administrator at a large private school in Savannah. I began my coaching and teaching career at a 5A UIL program in Carrollton, TX. I love sports and have been a head coach in four different sports; football, wrestling, baseball and softball. I've also coached basketball in the past. My goal at every school I've ever served at is to provide the best experience possible for the student-athletes and build community among the school families, my fellow coaches/faculty and peers from other schools. I have been blessed to serve with some amazing coaches and leaders during my 10 years as a TAPPS coach and look forward to the opportunity to give back to the profession I love. I have served in roles for district leadership and was honored to receive the 2022 3A Edd Burleson Athletic Leadership Award. Thank you for your consideration regarding the chance to serve on the AEC.</p>
