

MIXED DOUBLES INFORMATION

TEAM ENTRY:

One (1) Team may be entered for each school

PARTICIPATION:

No student qualifying for a main draw is eligible to participate in a Mixed Doubles Draw.

ELIGIBILITY:

All students must be entered into the TAPPS Management System. All students must have completed their student profile in TMS and be eligible in the system for competition. All students must be included on the school's TENNIS ROSTER in TMS to be eligible.

MIXED DOUBLES DRAW:

- The Mixed Doubles draw is a stand alone competition. There are no points awarded to the overall championship based on results of the mixed doubles draw.
- The format shall be as stated below. However, the format may be adjusted as necessitated by weather, facility, number of entries, or other valid concerns as presented to the tournament director.
 - Single Elimination
 - The tournament is an unseeded draw - attempts shall be made to separate teams in the same district or geographic region in the first round where possible
- Scoring shall be a Pro Set
 - with AD (when possible)
 - If tied at 7 all, a 7 point tiebreaker shall be used to determine the match
